## Directions:

Put your name on the line where it says "Client name," and put the name of the person you are referring on the line where it says "Referral name." Give it to your friend, family member, or business associate. When we complete a property inspection for that person, we will send **you** a \$20 check. That's right! Cash, to spend as you see fit. You can give gift checks to whomever you want, and each time one of them comes back to us, we'll send you a \$20 check simply for referring them to us. And once they become a Client of ours, they are automatically eligible for our Referral Rewards Program, too! I also try to refer business to my Clients whenever possible. Please contact me and let me know what business you are in and how I can refer people to you or to your company.

This offer not valid to realtors, mortgage agents or any other parties involved in the transaction of the sale of property.
